
1. Chairman opens the meeting: Called to order by Chris Wheelock at 6pm.

2. Acceptance of Minutes: Correction to May 20th, 2019 meeting minutes –change that George Kenison was not in attendance but made a comment. Also, minutes will be signed as they are approved from previous meeting. Motion to accept with change and sign minutes made by Jim Weagle, seconded by Michael Phillips.

3. Selectmen Business:

   a. Department Head Business: Highway and Water/Sewer
      - Randy Potter for Highway
        - cleaned pool and opened
        - re-sweeping of roads to paint lines
        - truck and equipment servicing
        - patching with remainder of cold patch, difficult to get more
        - manhole assessments – Passumpsic Bank
        - culvert work – Savage Road
        - mowing, trimming
      Chris asks for estimate of work to be done at Transfer Station be brought to next meeting, need to move on that.
      Nancy Merrow mentions that the Back Road by North Road is getting pretty grown over. Randy says they are going to get to that, need heavier equipment.
      Chris asks for Randy’s thoughts on Suicide Hill. Randy says it was a quick job, not terrible but probably ditch line needs to be addressed more. Chris suggests writing a letter to landowner requesting something to be put into the base as it may turn into a dumping spot.

      Reggie Charron for Water
      - over 500 meters changed out
      - all meter reads done, bills are out
      - mowing getting done
      - water tank washed up, algae removed, looks good, still have large tank to do
      - Cumberland Street sewer line done, went well.
      - Rt. 3 water line dug by hand
- starting Brown Road work
- Rotobec finalized
- flushing hydrants
- water testing, samples and paperwork, taking a lot of time
- received 6 new hydrants
- 15 manhole risers to do
- guard rail location issues
- problem with no manpower, equipment or money to replace water lines.

b. Vote for annual review of sealed minutes
   Jim will do, motion by Chris, seconded by Michael. Approved 3-0.

c. Follow up discussion of light poles on Route 3 bridge
   Michael discusses State wants to remove the lights. Discussion by Board and Highway of
taking over the poles as town property and to switch to LED lights at another time.

d. Follow up discussion of Road Swap
   Michael discusses he has met with DOT over swapping Church Street to State maintained
and Main and State Street be town maintained. Engineering needs required by State are
costly. Time consuming project. Swap not feasible at this time. Discussion by Board and
audience to get grants to improve Main and State streets. Motion by Michael to put road
swap on hold, seconded by Jim, approved 3-0.
